

the loop design
branding specialists

Because success is a journey not a destination.

Welcome to The Loop Design.

The Loop Design is a creative design agency producing original graphic and marketing communications for a wide variety of organisations. We provide clients with a team of fresh thinking, highly skilled individuals who know their craft inside out. Over the years, we have built a formidable reputation for our dedication to detail, friendly service and unstinting professionalism. This brochure features a small selection of work from our portfolio.

Our services include branding, print, publications, exhibitions, promotional and new media.
